Blimp Price List

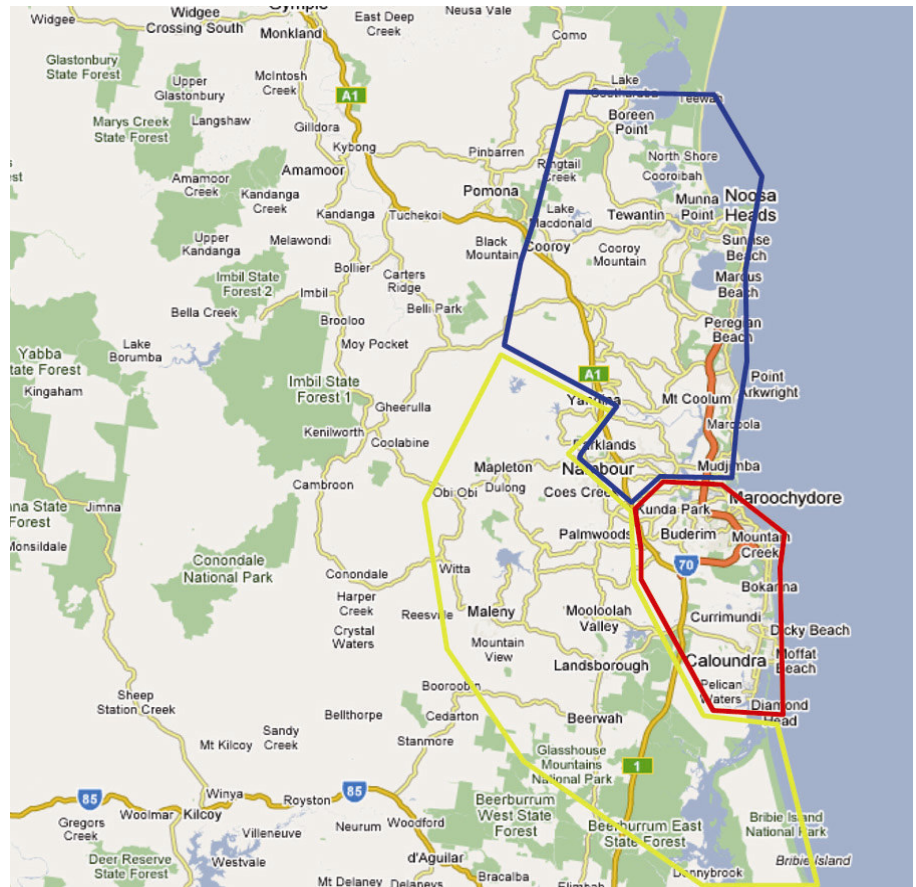

What you get:

- Approximately 6-12 hi-res images sent to you on disc (1 disc per shoot) and/or a link sent by email for you to download photos from our site.
- Low res images can also be supplied for easy emailing.

Time frame:

Turnaround time usually ranges between 1 – 14 days from confirmation of the job - depending on weather conditions and workload.

Extra on site time over the 1/2hr included in the price will be charged at \$220+GST per hour.
